

A low-angle, silhouette photograph of a graduation ceremony. Numerous black mortarboard caps are captured mid-air, scattered across a clear, bright sky. In the foreground, the dark silhouettes of graduates are visible, with several hands raised high in celebration. The overall mood is one of triumph and achievement.

High School Scholarships

by the Union of National Employees

ABOUT OUR SCHOLARSHIP

At the Union of National Employees, we believe that no one should be stripped of the chance to reach their full potential because of the increasingly unaffordable cost of post-secondary education. That's why our members are proud to offer several scholarships to promising students.

Each year, we award a \$1,000 scholarship to a student entering their first year of college, university or vocational training. It's our sincere hope that this scholarship will make a meaningful difference in a young person's educational journey.

ABOUT US

Like many unions, the Union of National Employees is committed to forging a better way of life for all Canadians. We are made up of thousands of members who fight to improve working conditions for today's workers and future generations. Much of our activism goes beyond the workplace; we are strong advocates for human rights and social justice. We hope that our commitment to these causes will make it possible for future workers to find a greater sense of respect, fairness and dignity in the workplace. You can find out more about us and what we do on our website: www.une-sen.org.

SELECTION CRITERIA

This scholarship is open to students entering full-time or part-time study at a post-secondary institution. Each applicant must submit a 1200 to 1500-word essay detailing how the union movement has helped to build the social values that Canadians hold dear.

Essays will be evaluated using the following criteria: passion, content and knowledge of subject matter. The essay and the application form must be received by the Union of National Employees before March 31.

If more than one student stands out, the Union of National Employees may choose to divide the scholarship among students of equal merit. Cheques will be issued only after we have received proof of registration.

APPLICATION FORM

Name: _____
first name and initial

last name

High school: _____

Home phone: _____

Email: _____

Address: _____

Name and address of institute to be attended:

Program: _____
